Funding

**Grants Totaling $485 Million Available Soon To Combat Opioid Crisis**

Health and Human Services Secretary Tom Price, M.D., announced that HHS will soon provide $485 million in grants to help states and territories combat opioid addiction. The funding will be provided through the State Targeted Response to the Opioid Crisis Grants administered by SAMHSA.

Resources

**Behavioral Health Workforce Research Center**

The Behavioral Health Workforce Research Center (BHWRC) aims to strengthen the workforce responsible for the prevention and treatment of mental health and substance use disorders by conducting studies to inform workforce development and planning. A joint initiative between SAMHSA and the Health Resources and Services Administration, the BHWRC works with a national consortium of experts in mental health,
National Prevention Week Resource Calendar

This publication provides the most current information regarding prevention resources, tools, and activities.
